Event Overview

The Little Hercules Golf Classic raises awareness and funds to help fight Duchenne Muscular Dystrophy (“DMD”).

What’s DMD?

DMD is a progressive muscle-wasting condition in which those diagnosed are unable to produce dystrophin, a protein essential for the repair and stability of muscle. It is the leading genetic killer of children. DMD occurs almost exclusively in males, at a rate of approximately 1 in 5,000 births. Children are usually diagnosed when they start showing muscle weakness around the age of 4 and lose the ability to walk between the ages of 8-12. Each year, muscle is damaged, quickly leading to paralysis and ultimately heart or lung muscle failure in early adulthood. Right now, **DMD is 100% fatal.**

Where does my money go?

All money raised will go to Little Hercules Foundation (“LHF”), a non-profit 501 (c) (3) organization based in Dublin, Ohio. LHF is on a mission to improve the lives of those diagnosed with DMD through four main pillars: Advocacy, Awareness, Family Assistance and Funding Research. LHF has been able to change lives by assisting families get insurance approval, acquire medical equipment, and provide funding for very promising research that is now underway in human clinical trial.

What does the event include?

Golf is played as an 18-hole, 4-man scramble and prizes are awarded to the top winning teams at each course. Player registration fee includes greens fee, cart fee, and use of driving range. Each player will also receive a tee gift, drink tickets, and their choice of any or all on-course food tent options for lunch.

Following golf, all players gather at Scioto Reserve Country Club for awards, food and drinks, and a brief program hosted by our emcee with words from our honorary chair and patient champion. Players will have the chance to bid on over 50 silent auction items and participate in a live auction during the program for some very unique items.

What makes our event unique?

The Little Hercules Golf Classic started in 2016. With overwhelming support from corporate sponsors, private donors, and 200 players and attendees, LHF has raised \$130,000! Our goal is to drive awareness about DMD and LHF within the local community. We aim to build lasting partnerships with sponsors and supporters and host a premiere golf event that players will want to play in each year.

Here are just a few ways that our event stands out:

- Our event is hosted on two golf courses. Players can elect a course preference at registration.
- On-course food from vendors such as Skyline Chili and Yabo’s Tacos is included in the entry fee.
- Players are entertained with unique on course challenges and games during the round.
- Hole-in-one prizes include the chance to win a car on designated par 3’s.
- Stick around after the event and you can rub elbows with local celebrities.
- Our live auction includes one-of-a-kind auction items, such as an Ohio State tailgate party bus event or one week’s stay at a private villa in the Caribbean.
